[Redacted] and for the generous luncheon provided on our behalf. The members of our committee all responded enthusiastically to our experience at [Redacted] and I could anticipate that you might be having follow up discussions with any or all of the service components represented.

STAT

It was a real pleasure to see you again and to review the dynamic growth of your organization and its imaginative approach to many problems in the Optics, Photo Physics and Information Handling fields which have plagued all of us. We were sorry to miss [Redacted] [Redacted] but I know you will give them our kind greetings.
